SUBJECT: UZBEKISTAN: SPECIAL 301 INFORMATION DELIVERED

REF: STATE 43142

¶1. (SBU) On April 25 poloff met with MFA's Chief of U.S. Affairs Ismat Fayzullaev and delivered the information per reftel that Uzbekistan will be included on the Watch List of the 2008 Special 301 Report. This designation is the same as in last year's report, but Fayzullaev seemed pleased by the decision, which he knows could have been worse. We believe the Government of Uzbekistan appreciates the recognition of its visible enforcement efforts in late 2007 and early 2008, which may facilitate constructive cooperation to further improve copyright protection in the coming year.
